LAROSE BLASTS PRESIDENT BIDEN AND SENATOR BROWN ON ECONOMIC FAILURES

(Columbus) U.S. Senate candidate Frank LaRose released the following statement on President Joe Biden and Senator Sherrod Brown's failure to curb inflation costing Americans an extra \$11,434 annually just to maintain the same standard of living:

"Ohioans are left wondering how they are going to afford Christmas presents this year under Senator Sherrod Brown and President Joe Biden's failed economic policies. It's past time we have leaders in Washington who will end wasteful spending, slash taxes and burdensome regulations, and stand up for every-day Ohioans. I'll work with President Trump on day one to get that mission accomplished."
