LAROSE CALLS FOR INVESTIGATION INTO OHIO STATE'S INDOCTRINATION CURRICULUMS

(Columbus) U.S. Senate candidate Frank LaRose released the following statement on The Ohio State University courses indoctrinating students on the taxpayer's dime:

"The leftist indoctrination curriculums of division and victimhood that have long plagued east and west coast universities are now pouring across our Ohio border into our schools. As an OSU graduate, I'm disgusted by this and I'm calling for an immediate and extensive investigation. We as taxpayers should not be on the hook to pay for ideologues to preach their hateful doctrine when they should be preparing the next generation for meaningful careers and active citizenship."
