LAROSE OUTRAISES DOLAN, MORENO IN Q4 FILING

(Columbus) - U.S. Senate candidate and Green Beret Frank LaRose released his quarter four filing numbers today, showing he outraised both of his corporate elite primary opponents.

"Frank LaRose is continuing to demonstrate he's the man to beat," said LaRose for Senate spokesman Ben Kindel. "He's the only proven conservative in this race, and the best positioned to win in March and to finally retire Sherrod Brown in November."

Showing up matters, and Frank LaRose is crossing the state listening to voters, earning grassroots support, and sharing his plans to secure our border, protect parental rights, and fix the broken Brown/Biden economy.
