SCIOTO COUNTY REPUBLICAN PARTY ENDORSES LAROSE FOR U.S. SENATE

*Frank LaRose Continues to Build Momentum Among Ohio
Conservatives Leading Into Early Voting*

(New Boston) - The Scioto County Republican Party joins a long list of Ohio and national conservative organizations and leaders backing the only true conservative candidate with their overwhelming endorsement of Frank LaRose for U.S. Senate.

"Scioto County represents the values and grit of our state and I'm honored to earn their overwhelming endorsement," said LaRose. "We have a country to save and that starts with replacing Sherrod Brown with a battle-tested conservative ready to run into the fight."

Prior to the Scioto County endorsement, Frank LaRose received the full endorsement of the party's Chairman Rodney Barnett, and Vice Chairman Kevin Craft.

In addition to the hundreds of conservative leaders from around the state, Frank LaRose recently received endorsements from the Buckeye Firearms Association, Ohio Right to Life, Congressman Mike Turner, and the National Association of Wholesaler-Distributors PAC.
