FRANK LAROSE WINS SECOND DEBATE IN FINDLAY

(Columbus) - The LaRose for Senate campaign released the below statement following Frank LaRose's decisive debate win at the University of Findlay tonight:

“Yet again, Frank LaRose has proven he is the battle-tested conservative that can beat Sherrod Brown in November. Frank is the strong leader who has literally fought to protect our country and the state of Ohio. Frank’s aggressive plans to secure the border, end Biden and Brown’s economic debacle, and empower parents when it comes to their children was on full display tonight. Frank was the clear winner and has all the momentum going into the final month of the primary campaign.” - Ben Kindel, spokesman for LaRose for Senate.
