LAROSE STATEMENT ON MORENO CAMPAIGN EVENTS

(Columbus) - Frank LaRose released the following statement on Bernie Moreno's campaign events today with Donald Trump Jr and Vivek Ramaswamy:

"Today, two strong supporters of the second amendment, Don Jr. and Vivek Ramaswamy, campaigned with a democrat who has repeatedly mocked gun owners and parroted anti-second amendment language used by Kamala Harris, Bernie Sanders, and Sherrod Brown. Sometimes even the good guys get it wrong but Ohioans won't fall for Bernie's election-year conversion. They want a senator who respects the second amendment and one who is not just another liberal masquerading as a conservative."
