## **OHIO RIGHT TO LIFE ENDORSES PROVEN PRO-LIFE WARRIOR FRANK LAROSE**

(Columbus) – Ohio Right to Life announced today their endorsement of proven pro-life warrior Frank LaRose for U.S. Senate. Frank LaRose has a long record of standing up to protect the unborn, championing pro-life legislation and fighting for the pro-life cause. He has proudly achieved a consistent, 100% pro-life voting record.

“Frank LaRose continues to be a proven fighter for the unborn and families. Frank championed key legislation, voted consistently to protect life, and put in countless hours advocating for our cause. His dedication to the issue of life is unimpeachable and we are proud to endorse him for U.S. Senate.”  
- Denise Leopold, Ohio Right to Life

“Unlike both of my opponents, standing up for the rights of the unborn is not a newfound interest for me – it’s part who I am,” said LaRose. “ I’m proud of my 100% pro-life record and will continue to fight for life in the U.S. Senate.”
