## **GREEN BERET FRANK LAROSE WINS DEBATE**

(Columbus) - The LaRose for Senate campaign released the following statement on Frank LaRose's third decisive debate win over his untrustworthy opponents:

"Frank LaRose showed once again why he is the battle-tested conservative to retire Sherrod Brown. Frank has been a leader Ohioans can trust on life, the 2nd Amendment and has proposed aggressive policies to secure our border. Both of his opponents represent the corporate elites who will say and do anything to get elected and they cannot be trusted. It is no wonder that Frank LaRose has the momentum in the closing weeks." Ben Kindel, Frank LaRose Spokesman
