CONGRESSMAN MIKE TURNER ENDORSES ARMY GREEN BERET FRANK LAROSE FOR U.S. SENATE

(Dayton) - U.S. Senate candidate and Army Green Beret Frank LaRose today announced the support of Dayton area Republican Congressman Mike Turner (OH-10). Congressman Turner joins more than 350 conservative local Republican leaders and grassroots organizations, including Buckeye Firearms Association, who have endorsed Frank for U.S. Senate.

"Frank honorably served our country in Iraq and is the type of leader we need in Washington to bolster America's national security," said Congress Mike Turner. "Frank has a proven track record of fighting for families, workers, and small businesses in the Ohio State Senate and as our Secretary of State, and that's why I'm proud to endorse Frank LaRose for the United States Senate."

"Congressman Turner is a strong advocate for Southwest Ohio and a fierce defender of conservative values in Congress," said LaRose. "I look forward to working alongside him in the U.S. Senate to secure our border, restore peace through strength, and fix the broken Biden/Brown economy that's hurting Ohio families."

Congressman Turner represents Ohio's 10th Congressional district, serving Southwest Ohio including Montgomery, Greene, and Clark Counties. He is Chairman of the House Intelligence Committee and sits on the House Armed Services and House Committee on Oversight and Accountability.
