LAROSE STATEMENT ON VOTE TO IMPEACH SECRETARY MAYORKAS

(Columbus) - U.S. Senate candidate and Army Green Beret Frank LaRose released the following statement on the vote to impeach Department of Homeland Security Secretary Alejandro Mayorkas:

“President Biden and Secretary Mayorkas swore an oath to support and defend the Constitution, an oath I know well from both my military and public service. Their reckless abandonment of their duties and promise to the American people have led to a full scale invasion on our southern border bringing with it a flow of crime, drugs, and known terrorists. This fight is not over until we send proven leaders with a backbone to Washington, stop the invasion, and hold complacent politicians accountable.”
